## OUR MISSION AND VISION

**J**udo for Peace (J4P) South Africa is a transformative initiative supported by the International Judo Federation (IJF) in collaboration with United Nations High Commissioners for Refugees (UNHCR). Our mission is to harness the power of judo to foster social cohesion, youth and gender empowerment, and child protection for both local and refugee communities.

Operating in Johannesburg, J4P proudly runs six clubs and twelve schools, with additional satellite clubs expanding our reach in Durban and Cape Town. Our work is made possible through the generous support of partners such as Nike, Italtile Foundation, Three2six, Gauteng Department of Education and Judo South Africa.

Guided by the philosophy of Jigoro Kano Shihan, the founder of judo, we strive to build a brighter future through mutual respect and community upliftment. The Judo Moral Code—which emphasizes courtesy, courage, honesty, honour, modesty, respect, self-control, and friendship—serves as the foundation of our work, shaping young judokas into future leaders.

With a growing number of eager young participants joining the program and a strong sense of team spirit, the school is well on its way to making a meaningful impact within the JFP community. The commitment and passion of both students and coaches promise a bright future for the initiative.

A special thank you goes to the Italtile Foundation for its invaluable support in making this program possible. **JUDO IN SCHOOLS:** Thanks to the great collaboration with NIKE and the Gauteng Department of Education J4P is teaching judo in local schools: Observatory Girls, Metropolitan College, JPI, Batsongile, Welizibuko, Takalani

## NIKE GENDER INCLUSION LEARNING COMMUNITY

J4P is an active member of the Gender Inclusive Coaching programme lead by WOMEN

WIN. J4P is constantly developing best practices to better promote the participation of women and girls in the sport. As a fact J4P has reached great targets in this field.

At the Masekane Gauteng Team Event J4P was able to present a full Group 5 & 6 female team (winning Silver) and a Cadet Female team (Winning Gold). It is notable to mention that judo in South Africa shows a deficiency in women participation (and without the J4P female team in Group 5&6 there wouldn't have been any female team competition as in the whole Gauteng presented only 1 female adult team)

## CLOSING THE TERM WITH TEAM BUILDING

J4P is closing the term with a wonderful team-building session for the SAYes mentoring alumni on March 21st, in recognition of Human Rights Day. JFP firmly believes that sport is a human right, and this event will celebrate unity, empowerment, and shared values.
