Today's Points:

- 1 Smartphone helps your work.
- 2 Use PC for main work.

1 Smartphone helps your work.

Main Idea:

The best point of a smartphone is portability.

A smartphone is easy to carry.

Using both a smartphone and a PC makes work smoother.

Use both smartphone and PC to work well.

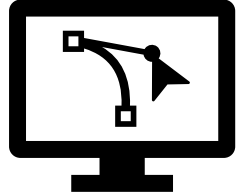

1 Smartphone helps your work.

Lesson Points:

- Smartphone helps your work.
- Use PC for main work.
- Smartphone is easy to carry.
- Use both to work better.

2 Use PC for main work.

Main Idea:

For office work, a PC is better than a smartphone.

A PC is good for typing and working fast.

Use your PC to do office work efficiently.

Lesson Point:

PC is better than smartphone for office work.

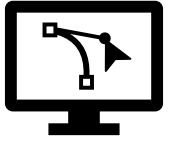

3 Lesson Summary

Smartphone

- Easy to use
 - Easy to watch videos and browse websites
 - Can make calls and use the Internet anywhere
 - Good for communication and health management because it knows the user's condition
- Good for short work during free time or while traveling

PC (Computer)

- Good for complex work
 - Can type a lot of words quickly with a keyboard
 - Good for teamwork using a network
- Good for focused work at school or office
